NARRATIVE:

Navas

Officer Wright and I arrived on scene and parked in the alley driveway area behind ***. I observed that the garage door for *** was open and there was a car (license number 6TMT480) parked in the garage.

I observed a white male adult standing near the southeast corner of the building that *** was in. The male approached me and identified himself as a security guard. The security guard stated that he had just spoken with the residents of *** and advised them that their garage door was open. I advised the security guard to leave and told him that we were there regarding a separate matter. The security guard left the area.

Officer Wright directed me to standby near the open garage while he attempted to make contact at the front door of the residence. I stayed near the open garage and watched the interior garage door to contact anyone they may come out.

I heard Officer Wright calling for my assistance at the front door via the radio and began running to his position. I ran around the south side of the building toward Officer Wright's location. As I got closer to his position I could hear Officer Wright yelling commands to open the door and I could hear blows landing against the door that sounded like Officer Wright was kicking the door. I continued running to his location because I did not know what was going on or what kind of assistance he needed at the door.

As I cleared the southwest corner of the building I could see Officer Wright facing the door of the residence. I heard a gunshot and saw a muzzle flash from Officer Wright's firearm. I observed that Officer Wright was stepping backwards away from the door pointing his gun toward the residence. I drew my firearm and covered the door of the residence as I

approached Officer Wright. I observed a white male adult lying on his back just inside the front door of ***. I observed a pregnant white female standing in the living room of *** to the left of the door. Officer Wright stated that the male had charged at him and attempted to take his gun.

I advised dispatch over the radio that shots had been fired at the residence and then began giving commands to the male (Kevin) and female (Jessica) inside the residence. I directed them to get on the ground and place their hands were we could see them. I observed that the male (Kevin) appeared to be bleeding from lower left side of his torso. I heard Sergeant Tyler advise dispatch that shots had been fired and he requested medical attention at our location. Sergeant Tyler arrived at our location and we entered the residence. I assisted Sergeant Tyler and we placed the male (Kevin) in handcuffs.
